Your spiritual growth is of central importance to our church. Whether you're just starting to explore the Christian faith, or you're a long-time Christ-follower, we want to do everything we can to help you on your spiritual journey.

We're asking for your feedback on our church and your spiritual journey through a Spiritual Life Survey you can access on the Internet.

A link to the survey will be distributed via church email and a link will be available on our website www.cheviotumc.com beginning next Sunday, **April 14th and the survey will be open through Sunday, April 28th**. Don't have a computer? No problem. A computer will be available in the Lounge on Sunday mornings during the two weeks that the survey is live.

What to expect:

There are six things you need to know about this survey:

- It's comprehensive and thought-provoking.
- You should set aside 15-20 minutes to take it.
- It's completely confidential so you can be open and honest with your feedback.
- You will have to provide some basic information (email, name, etc.) This information will not be used or given out for any other reason. If you don't have an email you can make one up. (format – firstname.lastname@gmail.com)
- It's crucial. The findings from this survey will shape the decisions of how we create the best possible ministry strategies to serve you and our church.

We want to hear from ALL of you. Please take the survey and encourage all of your friends who call our church their home church to participate as well. Questions? Contact Mark Phair, Grow Team Leader, mark.phair.ext@siemens.com
