## NEW SERMON SERIES

Join us for our new Sermon series starting today, called: "How to Live a 3-D Life: Dedicated, Daily, Devotional".

You may remember the experience of going to a 3-D movie—When you buy your ticket, you are given a pair of 3D glasses to wear. As you look through the glasses, the movie seems to jump off the screen. Everything is closer, brighter, and more life-like. The same thing happens when we start reading the Bible for ourselves every day. We begin to see the words on the page as much more than a set of ancient writings for people who lived thousands of years ago. The Bible begins to "jump off the page", its meaning becomes clearer to us and its application to everyday life becomes more relevant. But, if we've never been in the habit of daily Bible reading, how do we begin? What should we read first? What if we don't understand what we are reading? These and many more questions will be answered in our series called "How to Live a 3-D Life: Dedicated, Daily, Devotional." Won't you join us and bring your friends?
